• Contact Us

A hand-drawn sketch of a 'Contact Us' form layout. The form is enclosed in a rectangular border. At the top left, there is a circle containing the number '2', with an arrow pointing to it from the label 'Logo/Name'. To the right of this is a horizontal row of five empty rectangular boxes, with an arrow pointing to the first box from the label 'Name'. Below the 'Logo/Name' circle, there is a large, empty rectangular area. In the center of this area, there is a shaded rectangular box with an arrow pointing to it from the label 'Title'. Below the shaded box are three more empty rectangular boxes, stacked vertically. At the bottom center of the form, there is a rectangular box labeled 'Button'. An arrow points from the label 'Image' to the large empty rectangular area on the left side of the form.

• Register

A hand-drawn sketch of a 'Register' form layout. The form is enclosed in a rectangular border. At the top center, there is a shaded rectangular box with an arrow pointing to it from the label 'Title'. Below this are six empty rectangular boxes, stacked vertically. To the right of these boxes is a large curly bracket, with the label 'Registration for User' written next to it. At the bottom center of the form, there is a rectangular box labeled 'Button'.

Login

A hand-drawn sketch of a login form. At the top center is a shaded rectangular box with an arrow pointing to it from the label "Profile" on the right. Below this are two empty rectangular input fields stacked vertically. To the right of these fields is a large curly bracket with the text "Login details of users" written next to it. Below the input fields is a rectangular box labeled "Button".

Sell Book

A hand-drawn sketch of a "Sell Book" form. At the top left is a circle containing the letter "L", with an arrow pointing to it from the label "Logo/Name" on the right. To the right of this is a horizontal row of five empty rectangular boxes, with an arrow pointing to the first box from the label "Section" on the left. Below the "Logo/Name" section is a shaded rectangular box with an arrow pointing to it from the label "Profile" on the right. To the right of this is a large curly bracket with the text "Details of Book to Sell" written next to it. Below the shaded box are five empty rectangular input fields stacked vertically. At the bottom left is a rectangular box labeled "Upload Image", and at the bottom right is a rectangular box labeled "Button".

• Book Details:-

Hand-drawn diagram of a book cover layout. The diagram includes a header bar with sections for 'Logo/Name' and 'Author'. Below this is a 'Title' section, followed by five horizontal lines for text. To the right is a 'Book Image' placeholder. A large curly bracket on the right side groups the 'Book Image' and the text lines under the label 'Details of the Book'. At the bottom left are 'Update' and 'Delete' buttons.
